The Tasmanian Sea named for Abel Tasman. It is located off Australia.

## New "BREAKTHRU" to HIGHER **CORN YIELDS**

Greater yield power! DeKalb XL - Breakthru varieties represent a greater concentration of desirable qualities, achieved by the use of a smaller number of select parent lines. DeKalb XL varieties are bred for better disease and insect resistance, stalk strength, and a breakthru to higher yields.

Planted by More Farmers Than Any Other Brand "DEKALE" is a Registered Brand Name.
"IL" Numbers are Variety Designations.
