

Wings of Hope provides aviation and radio communication equipment and services in support of medical, humanitarian, educational and other development programs in isolated areas of the world. Services include:

- Obtain, repair and modify aircraft for bush operations.
- Obtain and install special radio equipment
- Train volunteer pilots/mechanics to operate aircraft
- Technical and operational consultation
- Aircraft operation in support of humanitarian programs in Belize.

Wings of Hope is needed more today than ever. But we need your support. Become a member of Wings of Hope.

- Founded in 1962

For people in isolated areas,
an airplane is this and more. . .
it is vital in providing services
by humanitarian organizations
in remote areas of the world.

Wings of Hope, based in St. Louis,
Mo., provides the airplanes and
enabling services to organizations
working in such areas as:

- Alaska
- Belize
- Honduras
- Kenya
- Papua New Guinea
- Peru
- Tanzania

By becoming a member of Wings of Hope,
you're helping people get the assistance
they need:

- Medical Aid
- Food
- Fresh Water
- Breeding Stock
- Seed
- Education

. . . and More

You'll receive a membership card, pin,
decal, and newsletters. . . but more than
that, you'll receive the satisfaction of
knowing that you've improved the quality
of life and provided hope for thousands of
people.

Memberships are tax deductible.

Won't you fill out the enclosed
envelope and join us today? Or. . .
